## **ACKNOWLEDGEMENT:**

We would like to express our heartfelt gratitude to everyone who contributed to the successful completion of this project.

Our sincere thanks go to Sir Noman Siddiqui for his invaluable guidance and support throughout the entire process.

Special appreciation goes to our colleagues and team members for their hard work, dedication, and teamwork, which were crucial in bringing this project to life.

We are also grateful to our families for their support, which allowed us to stay focused and motivated.

Lastly, we extend our thanks to all those who provided us with the resources and opportunities necessary to complete this project. This achievement would not have been possible without the collective support of everyone involved. Thank you.

## **SYNOPSIS:**

Maru Dry fruits is dedicated to offering a wide range of premium dry fruits, such as almonds, dates, walnuts, and more. The company works with trusted sources to provide quality products to health-conscious customers. Maru Dry fruits now aim to make its products and information easily accessible online. The website will showcase the brand's story, product offerings, and nutrition information to help customers make informed choices.

### **• CATEGORIES:**

Maru Dry fruits offer a variety of dry fruit products tailored to meet different preferences and dietary needs. Customers can select from a wide range of dry fruits, explore nutritional benefits, and choose packages for personal use or as gifts. The process is simple: select your items, specify quantity, proceed to checkout, and enjoy the natural goodness!

### **• DISTRIBUTION:**

Maru Dry fruit's store is conveniently located, and our website provides all necessary location details. Customers can also read reviews from other customers to gain confidence in the quality and service we provide.

## **PROBLEM STATEMENT:**

Maru Dry fruits specialize in premium-quality dry fruits, sourcing products from trusted suppliers to deliver freshness and nutrition. To better serve its customers, Maru Dry fruits aim to establish a comprehensive online platform where customers can explore the full product range and make purchases conveniently. The website will provide detailed information about the brand, product offerings, and nutritional benefits.

### **• REQUIREMENT SPECIFICATION:**

The website is developed with the following features:

1. The **Home Page** should display the Maru Dry fruits logo, featured sections, and promotional offers for various dry fruits.
2. The **Navbar** will include options to navigate to the following pages:
  - o **Dry Fruits:** This page will have a dropdown menu with different categories of dry fruits (e.g., Almonds, Cashew nuts, Walnuts) to help users find their preferred products.
  - o **Nutrition Info:** A dedicated page providing detailed nutritional benefits and health information for each type of dry fruit.
  - o **Festival Gift Packs:** A page specifically showcasing gift pack options for festivals, including attractive package displays and descriptions.
  - o **Contact:** A page with the store's address, contact number, email link, and an integrated Google Map for easy location access.
3. Each **Dry fruit product** will have a summary on its individual page, showing nutritional details and the base price.
4. The **Festival Gift Packs** page should offer a selection of curated gift packages, suitable for different occasions, with detailed descriptions and pricing.

5. A **Contact Us** page will include the store address, phone number, and email link to allow users to send inquiries directly through their preferred email client.
6. The website should be visually appealing, user-friendly, and fully responsive to enhance user experience across devices.

The screenshot shows the top navigation bar of the website. It features a logo on the left with the text "PIKU DRY FRUITS" and "PICK YOUR QUALITY FRUITS". To the right of the logo is a horizontal menu with six items: "Home", "Dry Fruits", "Nutritional Info", "Festival Gift Packs", "About Us", and "Contact Us". Each menu item has a small icon next to it. To the right of the menu is a search bar with the placeholder "Search" and a magnifying glass icon. Further to the right are icons for a shopping cart and user profile.

This screenshot is similar to the one above, but the "Dry Fruits" link in the navigation bar is highlighted with a brown background, indicating it is the active page. The other menu items and the search bar remain the same.
